

Meiosis vs Mitosis Poster

On paper, draw out the stages of mitosis on half the page, and meiosis on the other half.

On the back side of the poster, draw a chart to show the similarities and differences between mitosis and meiosis.

YOU MUST:

- Have all of the stages of mitosis (5 marks)
- Have all of the stages of meiosis (5 marks)
- Have at least 5 similarities and 5 differences of mitosis and meiosis (5 marks)

Total marks: /15
