## Lines - Math 10

/8

Write the equation of this line:

<p>In the form: <math>y = mx + b</math></p>	<p>In the form: <math>Ax + By + C = 0</math></p>
---	--

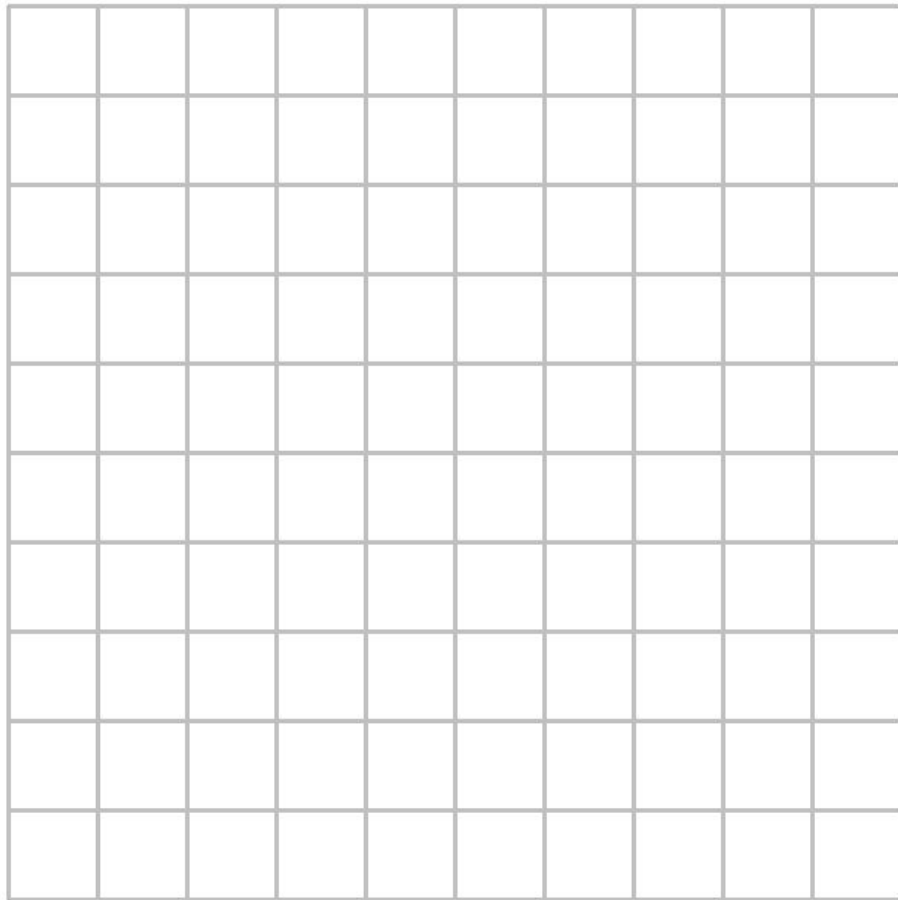

/3

Graph these lines on the same grid.

$$y = 2x - 1$$

$$2x - 3y + 2 = 0$$

/4

At what point do the lines intersect?  $(x, y)$
